- Note :-**
- 1 Values are the closing cut-off CML: the last (highest) CML merit number allotted in that category, round and college, as reported in the "Cut-Off" sheet of each round file.
 - 2 "--" = no allotment in that category in that round (no cut-off to report). A college appears only in the rounds in which it had seats in the Counselling.
 - 3 * PH is NOT reported in the source "Cut-Off" sheet (its PH column is 0 in every round). The PH figure here is derived from the "Allocated Data" sheet: highest CML merit number among PH candidates allotted at that college in that round, using the same allotment pool that reproduces the Cut-Off sheet exactly for that round. Indicative only.
